

LINKING FUTURES

CAPABILITY STATEMENT

Linking Futures is recognised as a market leader collaborating with individuals, companies and communities to support strong and dynamic futures for Indigenous Australians.

Linking Futures is a professional services company, specializing in brokering opportunities for business to change their relationship with the Aboriginal community.

Linking Futures links Indigenous business with companies, project developers, commercial investors and government, supporting development of their commercial capability, project management, governance framework and business delivery systems.

Linking Futures is an enabler and connector of commercial relationships, Indigenous partnerships and strategic alliances.

“ BEING OPEN TO CONVERSATIONS AND WORKING TOGETHER CREATES MORE OPPORTUNITIES. ”

OUR VALUES

Linking Futures recognise our clients expect value for money and services provided in a timely way, which meet agreed purpose and outcomes.

We engage with our clients to ensure every project undertaken by our team delivers;

- ◆ Outcomes resulting in mutual benefit for all stakeholder's
- ◆ Opportunities for engagement which are inclusive

Our core values are reflected by all members of our team, we behave with integrity and we are;

- ◆ Honest
- ◆ Hardworking
- ◆ Passionate
- ◆ Helpful
- ◆ Knowledgeable
- ◆ Respectful
- ◆ Open
- ◆ Empathetic
- ◆ Understanding

Linking Futures believes that strong, positive engagement with community, commercial business and government does enable economic development.

OUR CAPABILITY

The Linking Futures team has deep experience and skill across sectors. We work from strategy to delivery, making sure we have the right people with the right skills to help you achieve your goals.

OUR SERVICES

The team at Linking Futures, are professionals who have brought a wealth of experience to their roles.

Our team have successfully brokered joint ventures and commercial partnerships between business, the community and interest groups.

We are focused on delivering a suite of services to our clients which,

CREATE OPPORTUNITY

Linking Futures looks toward enabling joint ventures and commercial ventures, which provide opportunity for remote and regional Australia, including Indigenous Australians.

We bring together Indigenous entities to provide contract services to projects, companies, government and communities.

GROW OPPORTUNITY

We can support you to build your business and board capability; by introducing and improving systems, policies, procedures and governance standards.

Are you business ready? Do you have a commercial opportunity but unsure how to make it happen? Do you need to work on your business and take stock of where things are at? The team at Linking Futures support you to review your business and assess your readiness to grow.

IMPROVE RELATIONSHIPS

Linking Futures offers a variety of Cultural Awareness, Cultural Competency and Diversity Workshops to support your business.

Does your business need to develop supplier relationships with Indigenous business? We'll support you to map and build effective links with these stakeholders and the community.

INFLUENCE OUTCOMES

Do you recognise a need for change? Are you unsure how to effect change and capture opportunities?

Linking Futures mentoring and coaching services build strength in your team, so that you can improve and extend your sphere of influence.
